

## JESUS SAVES HAITI SHALL BE SAVED MISSION TRIP 2019

### Jesus Saves Haiti Shall Be Saved Mission Trip

Our Mission goal aims at building evangelical mindset through a yearly crusade activities in Haiti. Volunteers will acquire well surrounded experience enclosing service in the community, cross-cultural relationship, event planning and constructions.

### Program Goals

The mission experience intents for volunteers to:

- Learn about making disciples for Christ
- View the church of Christ in a global perspective despite language, demographics and life style.
- Share the love of Christ with the people of Haiti

### Components of the Experience

- Before Serving, Volunteers receive an orientation training that includes the concepts of service, evangelizing, cross- cultural relationship and short term goals.
- Volunteers participate in early devotion led by various team leaders
- Volunteers serves the organization in preparing for the crusade which include building, decorating and setting up light and sound, as well as breaking down the stage.
- Volunteers will take part in different activities which include home visit, field trip, interacting with other youth, teaching, praise and worship...etc.
- Volunteers wrap up the day with team time and worship to discuss what they have learned and how they plan to apply it when they return home.

### Self-Transformation

Volunteers will experience transformation socially and spiritually

- Socially, volunteers will develop social skills to help them interact and sympathize with individuals of different ethnic background. Understanding the effect and power of group works and how valuable a dynamic team can be with respect to the effectiveness of an individual.
- Spiritually, volunteers will be challenge through seminary, prayers, devotions and consecration time. Learning to trust God in spite of life circumstances.
